

2019 Colorado and Federal Firearms Bills

March 5, 2019

Gun rights activists are still endeavoring to undo the advancements in public safety we achieved in 2013. They also continue to push legislation enshrining their “more guns = less crime” philosophy.

Colorado Bills

[HB19-1177 Extreme Risk Protection Orders – Strongly Support](#)

Status: Passed House on March 4th on 38-25 vote (Reps. Sullivan and Garnett). Would allow families and law enforcement to obtain court orders to suspend firearms access to people dangerous to themselves or others.

Colorado Defeated Bills

[SB19-033 Automatic Law Waivers for Rural School Districts – Oppose](#)

Status: Failed Jan. 16th in Senate State, Veterans, and Military Affairs on 2-3 party line vote. (Sen Hill) Although the bill was more about educational issues, the manner in which it was written would have enabled the state school board and local districts to allow firearms into public schools.

[SB19-093 Firearms Rights of Medical Marijuana Users - Oppose](#)

Status: Failed Feb. 6th in Senate State, Veterans, and Military Affairs on 2-3 party line vote. (Sen. Marble, Rep. Buentello). Would allow those who have medical marijuana purchase cards to be able to obtain concealed carry permits.

[HB19-1021 Repeal Ammunition Magazine Ban- Strongly Oppose](#)

Status: Failed Jan. 24th in House State, Veterans, and Military Affairs on 3-6 party-line vote. (Reps. Saine/Humphrey) This is the 6th year for this proposal.

[HB19-1022 Deadly Force Against Intruder \(business\) – Strongly oppose](#)

Status: Failed Jan. 24th in House State, Veterans, and Military Affairs on 3-6 party-line vote. (Rep. Sandridge) Would allow a person to use deadly force against an intruder in a business location if they felt threatened, no matter how slight. This is a Stand Your Ground bill. Think of the shooting death of Trayvon Martin in Florida, and you’ve got the idea. This is the 14th straight year a stand your ground (biz) bill has been defeated.

[HB19-1049 Guns in School – Strongly Oppose](#)

Status: Failed Jan. 24th in House State, Veterans, and Military Affairs on 3-6 party-line vote. (Rep. Neville). Would allow anyone with a concealed carry permit to carry a hidden handgun into any K-12 public school. This is the 7th consecutive year for a “guns in schools” bill.

[HB19-1116 Hunter Education Courses – Strongly Oppose](#)

Status: Failed Feb 12th in House Education on 4-7 party-lines vote. (Reps. McKean and Buentello). For districts and charter schools that elect to have hunter education courses, all 7th graders would have to successfully complete them.

Federal Bills of Concern

There are 68 firearms-related bills already entered in Congress. This is just a selection of prominent ones.
